# *The Class of 2008 dedicates this yearbook to Elisa Santry*

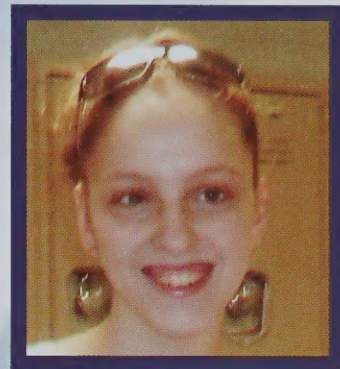

*Elisa Santry was not just a student of the John D. O Bryant School. You were a daughter, sister, and niece; but, we called you friend. It is tragic, the way you were taken away from us; you had so much left to offer, and so much left to learn. You were a scholar and an athlete.*

*You strived to do your best not only in school, but in life as well. When we think of you, we think of your most memorable moments: scoring on our soccer opponent, the Burke, your love of the Red Sox and your huge crush on the singer, Jesse McCartney. You had ambitions, dreams and you worked hard to achieve them. You were a wonderful friend, always there when needed you and never one to turn a friend away. It is your compassion and friendliness that we will miss the most.*

*With you, the times seemed to fly by. You were always there: laughing, playing, and living right beside us. You were a part of our everyday lives, making our days so much better. We will always remember your smile, your face, and all the good times we shared together.*

*You should be crossing the stage with us on our graduation day. Although you will not be there physically, you will be with us spiritually.*

*Elisa, with all of our love, we dedicate this yearbook to you.*

# *Director's Commentary*

*Joel Stembridge  
Headmaster*

*Dear Class of 2008,*

*It is with great pride that I congratulate you on your tremendous achievement of graduating from the John D. OBryant School of Mathematics and Science. Your enthusiasm for your school and for your classmates set the tone for the year. You have faced challenges with courage and skill, adversity with class and character, and attained success though hard work and dedication.*

*On behalf of the entire OBryant community, I would like to thank you for sharing the last several years of your life with us. We are privileged to have worked, pleaded, laughed, consoled, championed, supported, and marveled with the best students in Boston.*

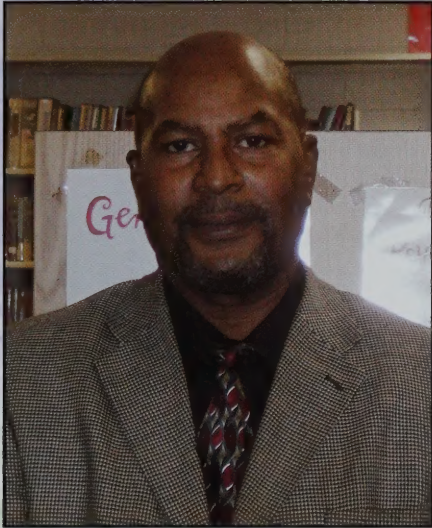

*As you transition to your adult lives, I am confident that your preparation at the OBryant will serve you well. We certainly look forward to seeing what the future holds for you. Be strong, be brave, and walk with confidence. You are truly second to none, and you bring us great pride.*

*Best wishes for the future,  
Joel Stembridge  
Headmaster, John D. OBryant School of Mathematics and Science*

# Senior Class Officers

*It seems like only yesterday. We were a bunch of kids entering into this school as brand-new seventh graders. That was six years ago, and looking back I have to wonder where did the time go? I remember the faces: plagued with signs of adolescence, equipped with braces and looking absolutely clueless! Sometimes when I look back, it is hard to comprehend just how much we have grown as individuals and as a class.*

*For some, the ride may have been just a bit shorter. Those who joined us in the ninth grade just helped to complete the puzzle that formed the Class of 2008. Although we all look forward to the future and the lives we will lead, sometimes it's great to look back at all the memories we shared. Class of 2008, we have come a long way. I am sad to say good bye, but I am proud to have known you all. Colleagues and friends, I expect we will hear great things about each other's accomplishments in years to come. So this is not really good bye; more like see you again soon!*

*Yep, see you again soon Graduating Class of 2008!*
